

journalDescEdit.cpp

journalTable.cpp

journalDescEdit.h

```
graph TD; A[journalDescEdit.cpp] --> C[journalDescEdit.h]; B[journalTable.cpp] --> C;
```

The diagram illustrates the dependencies of the header file `journalDescEdit.h`. Two source files, `journalDescEdit.cpp` and `journalTable.cpp`, are shown at the top. Arrows point from each of these source files down to the header file `journalDescEdit.h`, which is located at the bottom. This indicates that both source files include or depend on the definitions and declarations provided in `journalDescEdit.h`.
