

qobject.h

qptrlist.h

database.h

```
graph BT; database.h --> qobject.h; database.h --> qptrlist.h;
```

The diagram illustrates a header file dependency structure. At the bottom is a black rectangular box labeled 'database.h' in white text. Two blue arrows originate from the top edge of this box. One arrow points diagonally upwards and to the left, terminating at the bottom center of a white rectangular box labeled 'qobject.h'. The other arrow points diagonally upwards and to the right, terminating at the bottom center of a white rectangular box labeled 'qptrlist.h'. Both the 'qobject.h' and 'qptrlist.h' boxes have thin gray borders.
